Vaishnavi Tripathi

Front-End Developer

9320552244 | vaishnavitripathi226@gmail.com | linkedin.com/in/vaishnavi226/ | github.com/Vaishnavi226/

Career Objective

Motivated Frontend Developer with a strong foundation in front-end technologies, eager to contribute innovative solutions and grow in a dynamic development environment

Education

St. John College of Engineering and Management — Palghar
Bachelor of Engineering Technology in Computer Engineering | **CGPA: 8.0** — August 2022

St. Peter English High School and Junior College — Vasai
Higher Secondary Education | **Percentage: 75%** — August 2021 – May 2022

The Don Bosco High School — Bhayandar
Senior Secondary Education | **Percentage: 86%** — June 2019 – March 2020

Projects

Web Music Player with Ai Chatbot | *Python, Django* — April 2024 – June 2024
- Developed a fully functional music application with integrated AI chatbot
- Used Django for backend and frontend management with SQL as the database

Todo Android App | *Kotlin, XML, Gradel, Firebase* — July 2024 – August 2024
- Built a feature-rich Android todo app with Firebase backend
- Deployed on GitHub with complete version control

BMI Health Calculator (Android app) | *Kotlin, XML, Gradel, Firebase* — July 2024 – August 2024
- Created a health calculator app focusing on user BMI
- Firebase used for storage and authentication

Health Prediction ChatBot | *Tensorflow, Keras, Streamlit, Python* — September 2024 – November 2024
- Designed a chatbot to predict health conditions based on symptoms
- Frontend built using Streamlit, backend using deep learning models

Certifications

Web Development | *Eduskill Foundation* — April 2025 – May 2025
- Basics of HTML, CSS, JS, MongoDB, and Express.js

Full Stack MERN Development | *Udemy* — March 2025 – April 2025
- Full-stack blog application with CRUD functionality

Flutter App Development | *Regeal Engineering* — November 2024 – December 2024
- Hands-on workshop covering Dart, Flutter Widgets, and State Management

Introduction to Cloud Computing | *Swayam, NPTEL* — August 2024 – September 2024
- Government-certified course covering IaaS, PaaS, SaaS. Secured **72%**

Frontend MERN Development | *RAW Engineering* — February 2024 – March 2024
- 5-day hands-on MERN bootcamp conducted by EDBA Academy

Basics of Python | *Infosys* — January 2024 – April 2024
- Python data structures, scripting, and object-oriented programming

Webinars

Google Cloud | *Google India, Mumbai* June 2025

- Attended a cloud computing seminar conducted by Google
- Cutting-edge tools including Vertex AI, Gemma (Google's Open Models), and Firebase
- Gained insight into deploying scalable AI applications and integrating cloud services into development workflows

Microsoft Azure Workshop | *Microsoft India, Mumbai* June 2024

- Explored Azure services like Azure Functions, App Services, and DevOps tools
- Deployment cloud-native applications and integrate CI/CD pipelines using GitHub Actions

Skills

Employability Skills

- ***Communication:*** Strong verbal/written documentation
- ***Teamwork*:** Collaboration in team and open-source projects
- ***Leadership*:** Led project, handled task distribution

Technical Skills

- ***Languages*:** Python, C, C++, JavaScript, HTML, CSS
- ***Frameworks*:** React, Node.js, Django
- ***Tools*:** MySQL, Git, Visual Studio Code

Achievements

Pull Shark Badge | *GitHub* March 2025

- Successfully opened and merged pull requests, demonstrating consistent contribution activity

Jetpack Compose Badge | *Google Developers* February 2025

- Mastered modern UI development for Android apps using Jetpack Compose

Android Basics in Kotlin Badge | *Google Developers* January 2025

- Completed a beginner-friendly Android app development course using Kotlin

Interests

Flutter App Development | Full-Stack Web Development | Open Source Contributions |

AI-Powered Applications | Cloud Computing and Infrastructure

Hobbies

- **UI/UX Design |** Exploring user-centered design principles and certified through Google UX Design
- **Cloud Technologies |** Learning cloud tools like AWS Azure Firebase

Languages

English (Advance) **Hindi** (Advance) **Marathi** (Intermediate)
